SHREYA JI New Delhi, 29 February

The Union Cabinet on Thursday approved the new scheme for rooftop solar installation across the country announced by Prime Minister (PM) Narendra Modi earlier this month.

₹24K cr subsidy for fertilisers

The Union Cabinet on Thursday announced a ₹24,420 crore subsidy on phosphoric acid and potassic (P&K) fertilisers for the upcoming kharif season and said the farmers will continue to get key oil nutrient DAP (Di-ammonium Phosphate) at ₹1.35 per quintal.

Global Big Cat Alliance soon

The Union Cabinet on Thursday approved the creation of the International Big Cat Alliance (IBCA) to set up a global network to conserve tigers and other big cats. The alliance was conceived as a multi-country, multi-agency coalition of 96 big cat range countries.

The proposed scheme will result in the addition of 30 gigawatt (Gw) solar capacity through rooftop solar in the residential sector, generating 3000 billion units of electricity and resulting in a reduction of 720 million tonnes of carbon dioxide-equivalent emissions over the 25-year lifetime of rooftop systems," read the government's statement.

The PM Surya Ghar Muft Bijli Yojana aims at those who consume less than 300 units, which are lower and lower-middle-class households in urban areas.

"For this economic stratum, taking a loan for solar or setting up solar on their rooftop is difficult. So, we are increasing the loan component, and we are designating our PSUs to implement it," power ministry officials said earlier this month.

cial institutions that will lend to households seeking solar rooftop systems. Business Standard reported recently.

Apart from this, eight public-sector utilities (PSUs) of the power of the Ministry of Power will take forward this scheme in several states, the power ministry said recently.

The Cabinet's decision also states that "model solar villages" will be developed in each district of the country to act as role models for the adoption of rooftop solar in rural areas.

The scheme provides a CEA of 60 per cent of the system cost for 2 kilowatt (kw) systems and 40 per cent of the additional system cost for systems between 2 kw and 3 kw capacity. The CEA will be capped at 3 kw. At current benchmark prices, a 2 kw system will mean a ₹30,000 subsidy for a 1 kw system, ₹60,000 for 2 kw systems, and ₹78,000 for 3 kw systems or higher," said a statement by the Centre.

Households interested in getting solar rooftops can apply for subsidies through a national portal to select a vendor for installing rooftop solar. The national portal will assist households in their decision-making by providing relevant information such as appropriate system sizes, benefit calculator, vendor rating, etc, said the government in its statement. "Households will be able to access collateral-free low-interest loan products of around 7 per cent at present

Sandeshkhali key accused arrested; PM in Bengal today

ARCHIS MOHAN & AGENCIES New Delhi/Kolkata, 29 February

The West Bengal Police on Thursday arrested Trinamool Congress leader Shaikhhan Sheikh, who was accused of grabbing land and harassing villagers in Sandeshkhali.

A group of people, likely related to the Sandeshkhali case.

Sheikh's arrest followed a 55-day evasion period marked by violent protests. It has ignited a fresh round of recriminations between the ruling party Trinamool Congress and the Opposition Bharatiya Janata Party (BJP) on the issue, with Prime Minister Narendra Modi set to land in West Bengal on Friday on a two-day visit.

"The political slugfest could impact the forthcoming Lok Sabha elections in the state. With 42 seats at stake, the BJP is keen to hold on, even said, to its 2019 tally of 18 seats.

The Trinamool, which won 22 seats five years back, is striving to check BJP's march. After Sheikh's arrest, the BJP alleged the Trinamool leader was in protective custody of the state police. The Trinamool has suspended Sheikh from the party for six years, contesting the BJP's claims, the Trinamool attributed the delay in his arrest to the court embargo on his arrest.

"The PM will be in Bengal for a two-day tour from Friday, where he will address two public rallies and inaugurate several government initiatives in Hooghly and Nadia districts, state BJP president Sukanta Majumdar said.

"The PM will return to the state on March 6 to address a rally at Barasat in North 24 Parganas," Majumdar said.

"We have decided to suspend Shaikhhan Sheikh from the party for six years. As always, we walk the talk. We have set examples in the past, and we are doing that today. But we dare the BJP to suspend leaders, who have corruption cases against them and have several

Himachal Assembly Speaker disqualifies 6 Congress MLAs

Himachal Pradesh Speaker Kuldeep Singh Panthania on Thursday disqualifies six Congress legislators who had crossed-voted in the Rajya Sabha polls for the Bharatiya Janata Party (BJP) candidate, which led to the defeat of Congress' Abhishek Manu Singhvi. The Congress said it will set up a coordination panel comprising the CM Sukhwinder Singh, the deputy CM, state unit chief and some others to discuss internal issues. The party said the situation in its state unit in Himachal was "completely under control".

CAPF deployment for Lok Sabha polls to begin today

The first phase of deployment of more than 30,000 central armed police forces (CAPFs) for the upcoming general elections in the country and assembly polls in few states will begin from Friday, officials sources said on Thursday. According to the plan, about 2,000 companies will be mobilised as part of the pre-poll deployment in sensitive and hyper-sensitive constituencies beginning today. About 150,000 lakh personnel will move through roads and rail as part of this mobilisation, the sources told.

SC says no automatic vacation of stay orders of trial courts, HCs

A five-judge Bench of the Supreme Court (SC) overruled its own three-judge Bench judgment on Thursday and declared that a stay order once issued by a high court (HC) in both civil and criminal cases does not automatically stand vacated in six months.

The court overruled its Asian Resurfacing judgment of 2018, which mandated that interim orders passed by HCs staying trials in civil and criminal cases would automatically expire after six months from the order's date unless expressly extended by the HCs.

"A direction that all interim orders passed by HCs will automatically expire on the lapse of time cannot be issued in exercise of powers under Article 142 of the Constitution," the Bench of Chief Justice D Y Chandrachud, and Justices Abhay S Oka, J B Pardiwala, Pankaj Mishra, and Manoj Misra ruled.

Justice Oka read out the judgment. The court observed that constitutional courts should refrain from laying down time-bound schedules for cases being heard by any other court, and such directions can only be issued in exceptional circumstances.

The court stated that trial courts, being familiar with grassroots situations, are better positioned to determine which cases should be heard on priority.
